- Pathway students--if you missed the meeting Friday it is important that you meet with Mrs. Pepper soon. - As we head into this season of gratitude and goal-setting, our focus for the month is on two powerful ideas: Teamwork and Safety. Asset #10 reminds us that everyone deserves to feel safe and protected at home, at school, and in our community. When we work together as a team, we create a climate where everyone belongs and stays safe. Let's start the week strong by looking out for one another!
