- We will be hosting a blood drive on October 28th. Please check your email for an email from Ms. Smith about signing up. Remember if you are 16 you have to have a signed parental consent form.
- Today is Career Day! There will be workshops, guest speakers, and a College and Career Fair. It is important that your chromebook is charged. Seniors and juniors will be discussing resumes and having a resume to look at might be beneficial. Community Involvement students are encouraged to listen for advice on how to improve their current resume. Freshmen and sophomores will be visiting Xello and discussing how it will be used over the next few years. All students will be using this experience for their career reflection space in their portfolio. Mrs. Pepper will meet with each class to complete this. Printed schedules will be given out at the end of 4th block. Just a quick reminder that this day is one of the expectations to qualify for a finals waiver.
- Next week is national chemistry week. This year's theme is "Chemistry Under Construction" Stay tuned to your email and the School's Facebook page for games, prizes, and more! Let's show our chemistry pride! 🧬🔬 All week long, wear your favorite science or chemistry shirts to celebrate National Chemistry Week! 👕🔬 Whether your shirt features atoms, molecules, the periodic table, chemical reactions, or a fun science pun, let's represent our love for science and chemistry! Let's make it a week full of science, school spirit, and chemistry fun! ❤️🧪
- Connecting back to Asset #7: Community Values Youth, when adults and peers value your voice, it gives you the power to shape our school culture. Bullying prevention isn't just about stopping negative behavior; it's about intentionally creating positive spaces. Take a second today to invite someone new to sit with you at lunch or join your group project. Small choices build a strong community.
