- Tomorrow is Career Day! There will be workshops, guest speakers, and a College and Career Fair. It is important that you come to school with a charged chromebook. Seniors and juniors will be discussing resumes and having a resume to look at might be beneficial. Community Involvement students are encouraged to listen for advice on how to improve their current resume. Freshmen and sophomores will be visiting Xello and discussing how it will be used over the next few years. All students will be using this experience for their career reflection space in their portfolio. Mrs. Pepper will meet with each class to complete this. Printed schedules will be given out at the end of 4th block. Be sure to check your email today and tomorrow morning for more details. Just a quick reminder that this day is one of the expectations to qualify for a finals waiver.
- Today's reminder is all about Self-Direction. It's easy to let gossip or mean comments slide on social media or in the hallways, but self-directed leaders pause and choose a better path. Bullying often thrives on silence. Break the cycle today—if you see something online or in person that isn't right, don't share it, don't like it, and report it to a trusted adult. Make the choice to keep our school safe.
