

Final Exams and Remote Learner Expectations!

- Remote students must take final exams **DURING THEIR SCHEDULED CLASS TIME** unless they have arranged a different time with the teacher.
- If required by the teacher, students must join a Google Meet and have video on during the test.
- **Non-remote students must take final exams at school!**
- Teachers may ask remote students to come to the building from 1:30 to 3:00 to take their final exam
 - If possible, please bring your student during the 1:30-3:00 time to take the exam
 - There are significantly less students in the building during this time and we can easily social distance in the classrooms.
